DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This SLN label and the label affixed to the main container of Altus must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on this SLN label and the label affixed to the main container of Altus.

POLLINATOR BEST MANAGEMENT PRACTICE

To minimize exposure to pollinators, it is recommended that foliar insecticides are applied late in the afternoon, evening, or at night outside of daily peak foraging periods.

GRASS PASTURE AND RANGELAND – FOLIAR

Pest Controlled	Product Rate (fl oz/A)
Pasture Mealybug	7.0 – 14.0
