FIFRA Sec. 24(c)
Special Local Need Label

Pyroxasulfone	Group	15	Herbicide

For Distribution and Use only in the State of Georgia

Zidua® SC
Herbicide

EPA Reg. No. 7969-374 **EPA SLN No. GA-260004**

Residual preemergence weed control in dry bulb onions grown on coarse soils

The **Directions For Use** on this Special Local Need label specifically supersede those appearing on the **Zidua® SC Herbicide** container label.

This label is valid until otherwise amended, withdrawn, canceled, or suspended.

Active Ingredient:

pyroxasulfone: 3-[[[5-(difluoromethoxy)-1-methyl-3-(trifluoromethyl)-1*H*-pyrazol-4-yl]methyl]sulfonyl]-4,5-dihydro-5,5-dimethylisoxazole	41.46%
Other Ingredients:	58.54%
Total:	100.00%

Contains 4.17 pounds of pyroxasulfone per gallon formulated as a water-based suspension concentrate

KEEP OUT OF REACH OF CHILDREN
CAUTION/PRECAUCION

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Refer to the **Zidua® SC herbicide** main label, EPA Reg. No. 7969-374, for complete Directions For Use and all applicable restrictions and precautions.

When following the instructions on this label, the user must have this label and the entire **Zidua SC** container label in possession at the time of application.

Product Information

Zidua® SC herbicide is a selective rate-dependent residual preemergence herbicide for controlling annual grass weeds, sedges, and annual broadleaf weeds (including biotypes resistant to ACCase inhibitors, ALS inhibitors, and glyphosate) that infest dry bulb onions. Refer to **Table 1** in the **Zidua SC** container label for a complete list of weeds controlled.

Application Instructions

Zidua SC may be applied to dry bulb onions (transplanted only) grown on coarse-textured soils (sand, loam sand, sandy loam) as a postemergence application for residual preemergence weed control. Use **Zidua SC** as part of a weed control program in dry bulb onions either in combination or sequentially with other labeled herbicides for a broader spectrum of weed control and/or control of emerged weeds.

Application Rate and Timing

Zidua SC may only be applied in a single application.

Apply **Zidua SC** as a broadcast spray before target weed germination at 2.0 to 2.75 fl ozs/A to dry bulb onions that have 2 to 6 true leaves but at least 30 days after transplanting.

When applied according to these rates and timings, **Zidua SC** will also provide suppression and/or limited control of problematic crop-specific weeds like cutleaf eveningprimrose (*Oenothera laciniata*) and wild radish (*Raphanus raphanistrum*).

Crop-specific Restrictions

- **DO NOT** apply more than 2.75 fl ozs/A of **Zidua SC** (0.09 lb ai/A of pyroxasulfone) in a single application.
- Maximum number of applications per year: 1
- **DO NOT** apply **Zidua SC** within 60 days of harvest of dry bulb onions.

Conditions of Sale and Warranty

The **Directions For Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF Agricultural Solutions US LLC ("BASF") or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks, referred to above.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BUYER'S EXCLUSIVE REMEDY AND BASF'S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.

BASF and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of BASF. 1108
